Taxidermy Tech Alumni Ashley Rollins Scores Second Place Finish at Alabama Convention and Competition

Sheffield, Alabama June 22-25 2023

Ashley Stewart Rollins is another rising star in our Taxidermy Tech family. She took on the toughest of all categories which is obviously the Whitetail deer. To even be on the paper in a first competition is an accomplishment but she did much better than that. She scored 83 points and earned a second place finish. Ashley accomplished in her first competition what takes most gamehead taxidermist years to accomplish . Ashley is a “threat” in the competition world. We are eager and excited to see what she does next.

Congratulations Ashley!

(Ashley will share the journey of the construction of this mount in our next newsletter)
